

# Mrs. Lett's 3<sup>rd</sup> Grade News

## What's happening in class?

### Language Arts

This week we reviewed using the correct subject with the correct verb for subject/verb agreement. The students seem to have a good understanding of this concept.

### Spelling

Your child should have been studying their words this week. We will be having spelling words each week again. The only exceptions will be the week of Thanksgiving and the last week of school in December. Please encourage your child to study at home.

### Math

WOW! We began a new unit in Math. We are studying multiplication and reviewing a few other objectives. Every child is very engaged and excited about learning. Look for more information about this next week.

### Science/Writing

This week we have been learning about ecosystems. We have researched several different kinds of ecosystems, and then created diagrams to compare and contrast those ecosystems.

**\*\*\*\* It is time for our Music Program. This is scheduled for November 11<sup>th</sup> at 6:30. Our program is a Veteran's program. We would like to create a video presentation that shows students with their relatives who have served in an armed service. Please send pictures of your child's relatives who have served. We will return photos after our veteran's program. Please include name, relationship, and branch of service**

## Reminder

Students should be working on their AR goals for the 2<sup>nd</sup> quarter. There are several programs now beginning, so please encourage your child to read daily and keep their accuracy at 85% or above. At this time, your child should be at 40% of their goal.

If you need to contact me, please call 451-8610 or email me at [letttracy@neoshor5.org](mailto:letttracy@neoshor5.org). I also have a twitter account that you can follow me at Mrs. Tracy Lett @LettMrs. I will post information for school and class updates!
