

Mrs. Lett's 3rd Grade News

What's happening in class?

Language Arts

This week we have been working on our persuasive writing, and we also are learning how to use plural and irregular nouns.

Spelling

Please remind your child to study their words each night. If students study, then they should be able to make an A or B on their test on Friday.

Math

We have continued our unit about multiplication. Please remind your child to keep practicing their multiplication facts at home. I have seen many students working hard and taking responsibility for their own learning.

Science/Writing

After completing our research on the ecosystems, we are using the information for our persuasive writing, and the students are also creating comics and their own avatars to write about their finding. Please ask them about Bit Strips. They are really enjoying this!

Reminder

Students should be working on their AR goals for the 2nd quarter. At this time, your child should be at **50%** of their goal with an accuracy of 85% or higher. Your child is at ____% of their with _____% accuracy.

If you need to contact me, please call

451-8610 email me at letttracy@neoshor5.org.

I also have a twitter account that you can follow me at Mrs. Tracy Lett @LettMrs. I will post information for school and class updates! Be sure to sign up.

Thank you for all of those who have said they will donate items for our Family Fun Night. We appreciate each of you helping out.
